---

**SKU:** 78600

**Categories:** [Spray guns](#), [Lances for plasters](#)

## DESCRIZIONE DEL PRODOTTO

LANCIA BEAR is designed to work with products such as premixed mortar, plaster, cement and the like having grain sizes up to 3 mm.

Thanks to the new CONTACT-LESS switch (optional), which fears neither dirt nor moisture, the pump can be controlled remotely and automatically.

LANCIA BEAR can work continuously with high performance. The gun comes complete with 1 stainless steel nozzle diam.6.
